

The Southern Province
Kappa Alpha Psi Fraternity, Inc.
"Training for Leadership Since 1911"

July 12, 2011

TO: Southern Province Officers, Southern Province Board of Directors, Southern Province

RE: Transition of the Southern Province Leadership

Effective as of Monday, July 11, 2011, my appointment as the Southern Province Polemarch concluded. I thank everyone for your dedication and enthusiasm in achieving excellence and "Going From Good to Great". Upon review of the score card, we excelled in all areas of our undertakings. It has truly been an honor and privilege to serve as your Province Polemarch the last six years and especially during the Centennial Celebration of Kappa Alpha Psi Fraternity, Inc. The history book will tell the story that the 8th Southern Province Polemarch's Administration invigorated the Southern Province and enhanced the work of previous Administrations. As a Team, this group of officers and committee chairmen met all challenges and lead the Southern Province to new heights, as a result of next level thinking. There has not been a better group as inspiring to work with.

With that being said, I am proud to announce that the 32nd Grand Polemarch of Kappa Alpha Psi Fraternity Inc., William "Randy" Bates, Jr. Esq., has selected and appointed Brother Linnes Finney to serve as the 9th Southern Province Polemarch. Brother Finney has a very unique skill set that will produce nothing but continued success for the "Great" Southern Province. Having served as the Senior Province Vice Polemarch the past six years, Brother Finney is prepared for this day and is further prepared to lead this "charge". I commend and congratulate Brother Finney and ask the same of each of you. I give my complete support to Brother Finney as the Southern Province Polemarch.

Congratulations "Pete" and we look forward to your leadership. This appointment is well deserved and we are ready to hit the ground running with you.

Yours in the Bond,

Ronald E. Range

8th Southern Province Polemarch
